

DME as Clean Energy

What's DME?

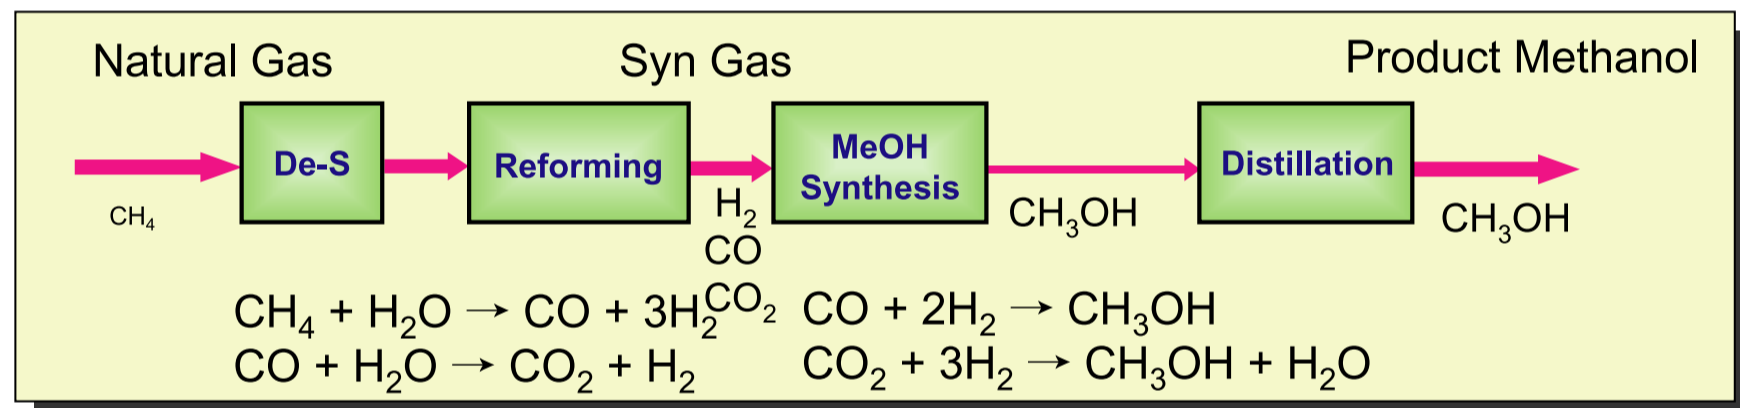

Uses for DME

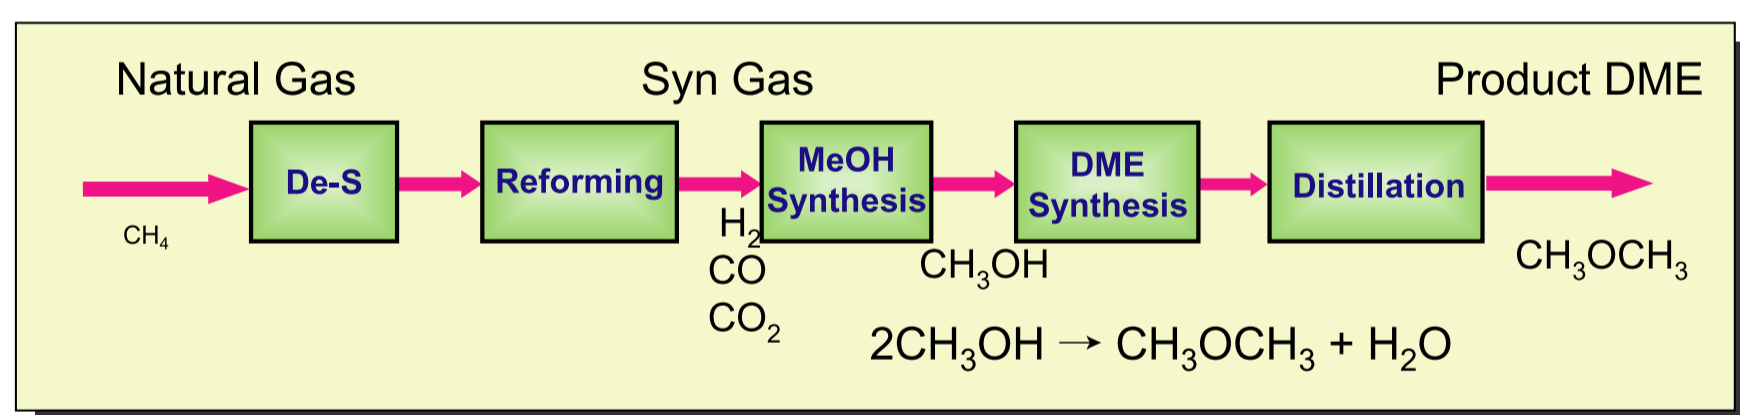

DME Production Process

(1) Methanol Production

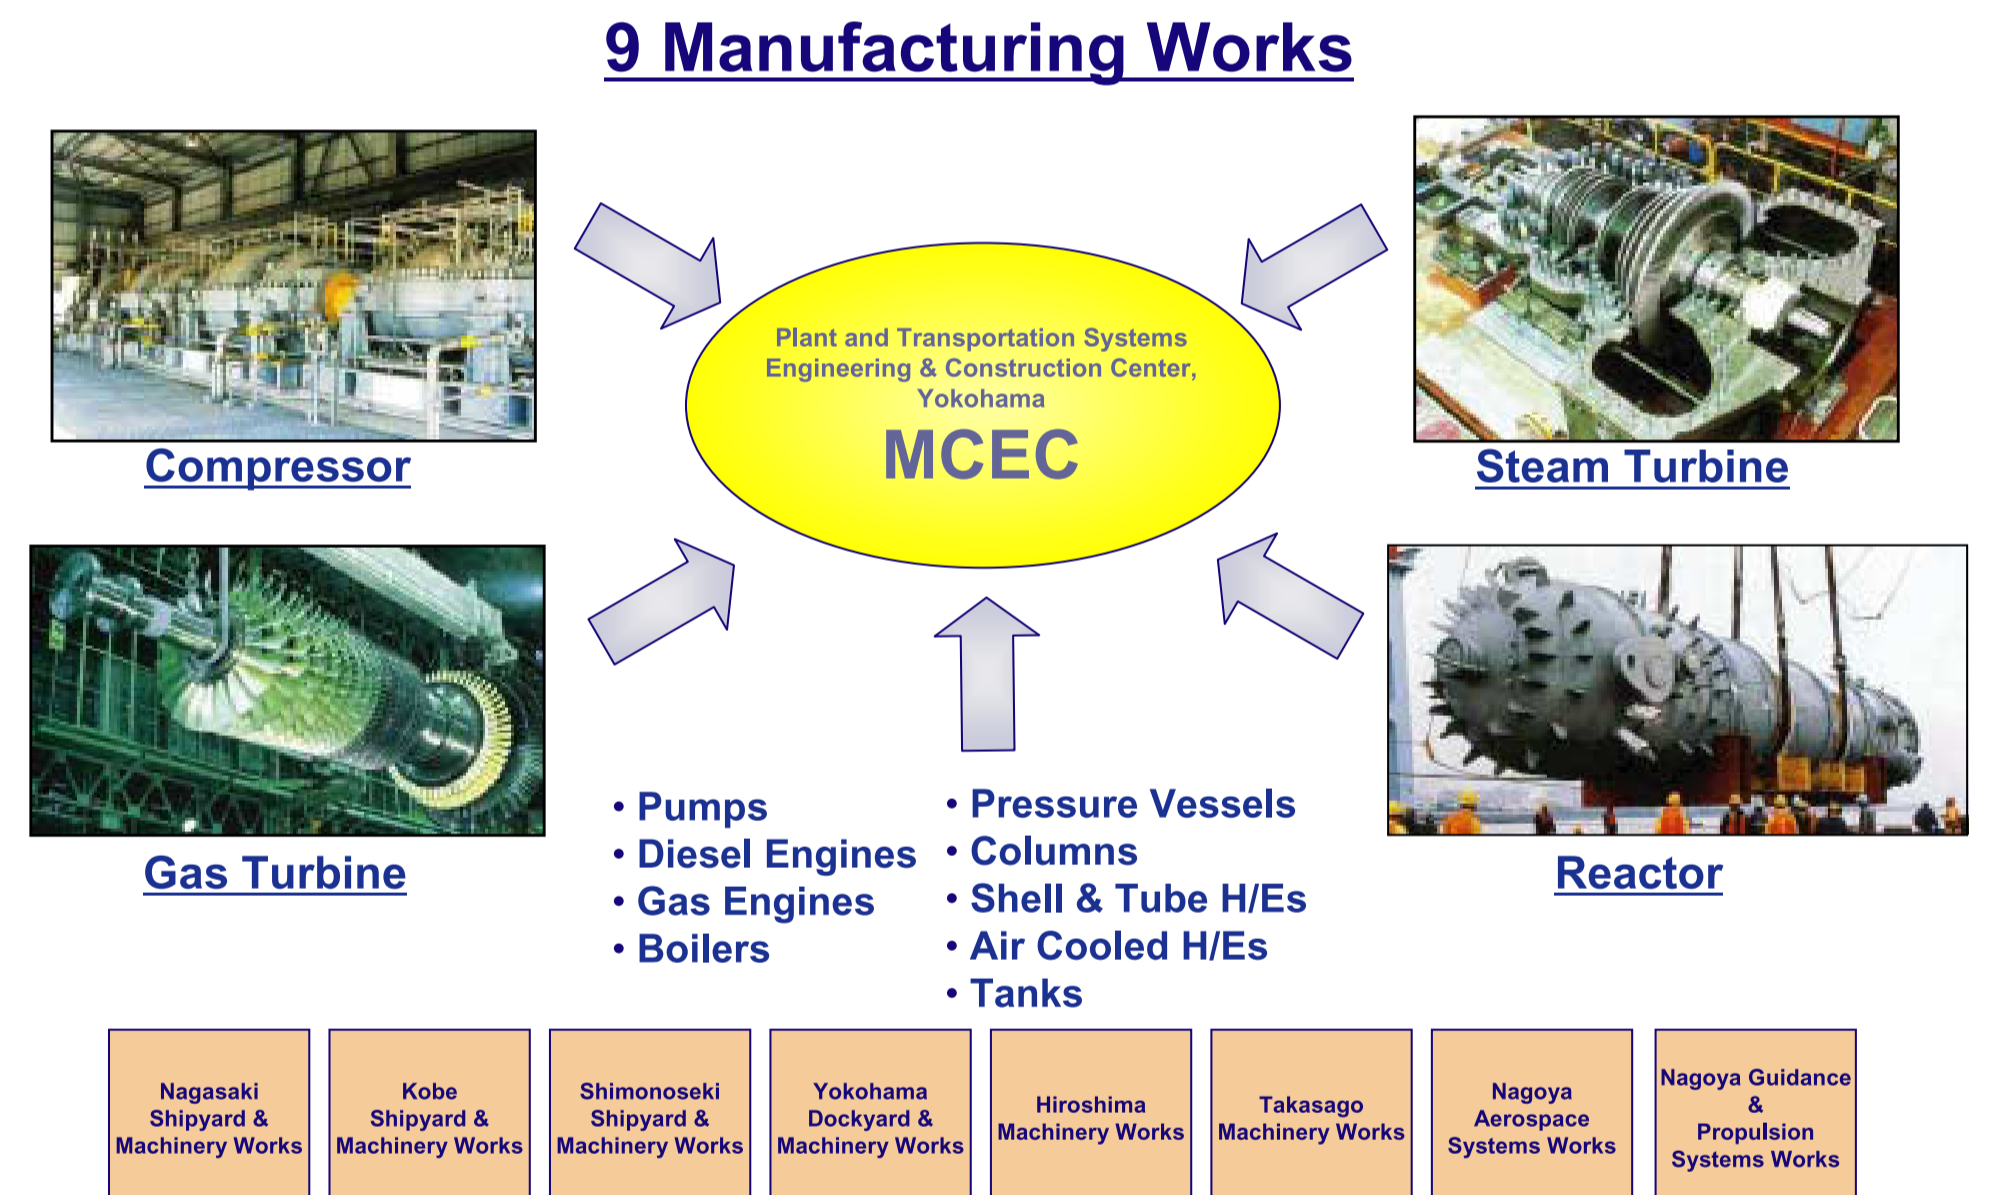

(2) DME Production

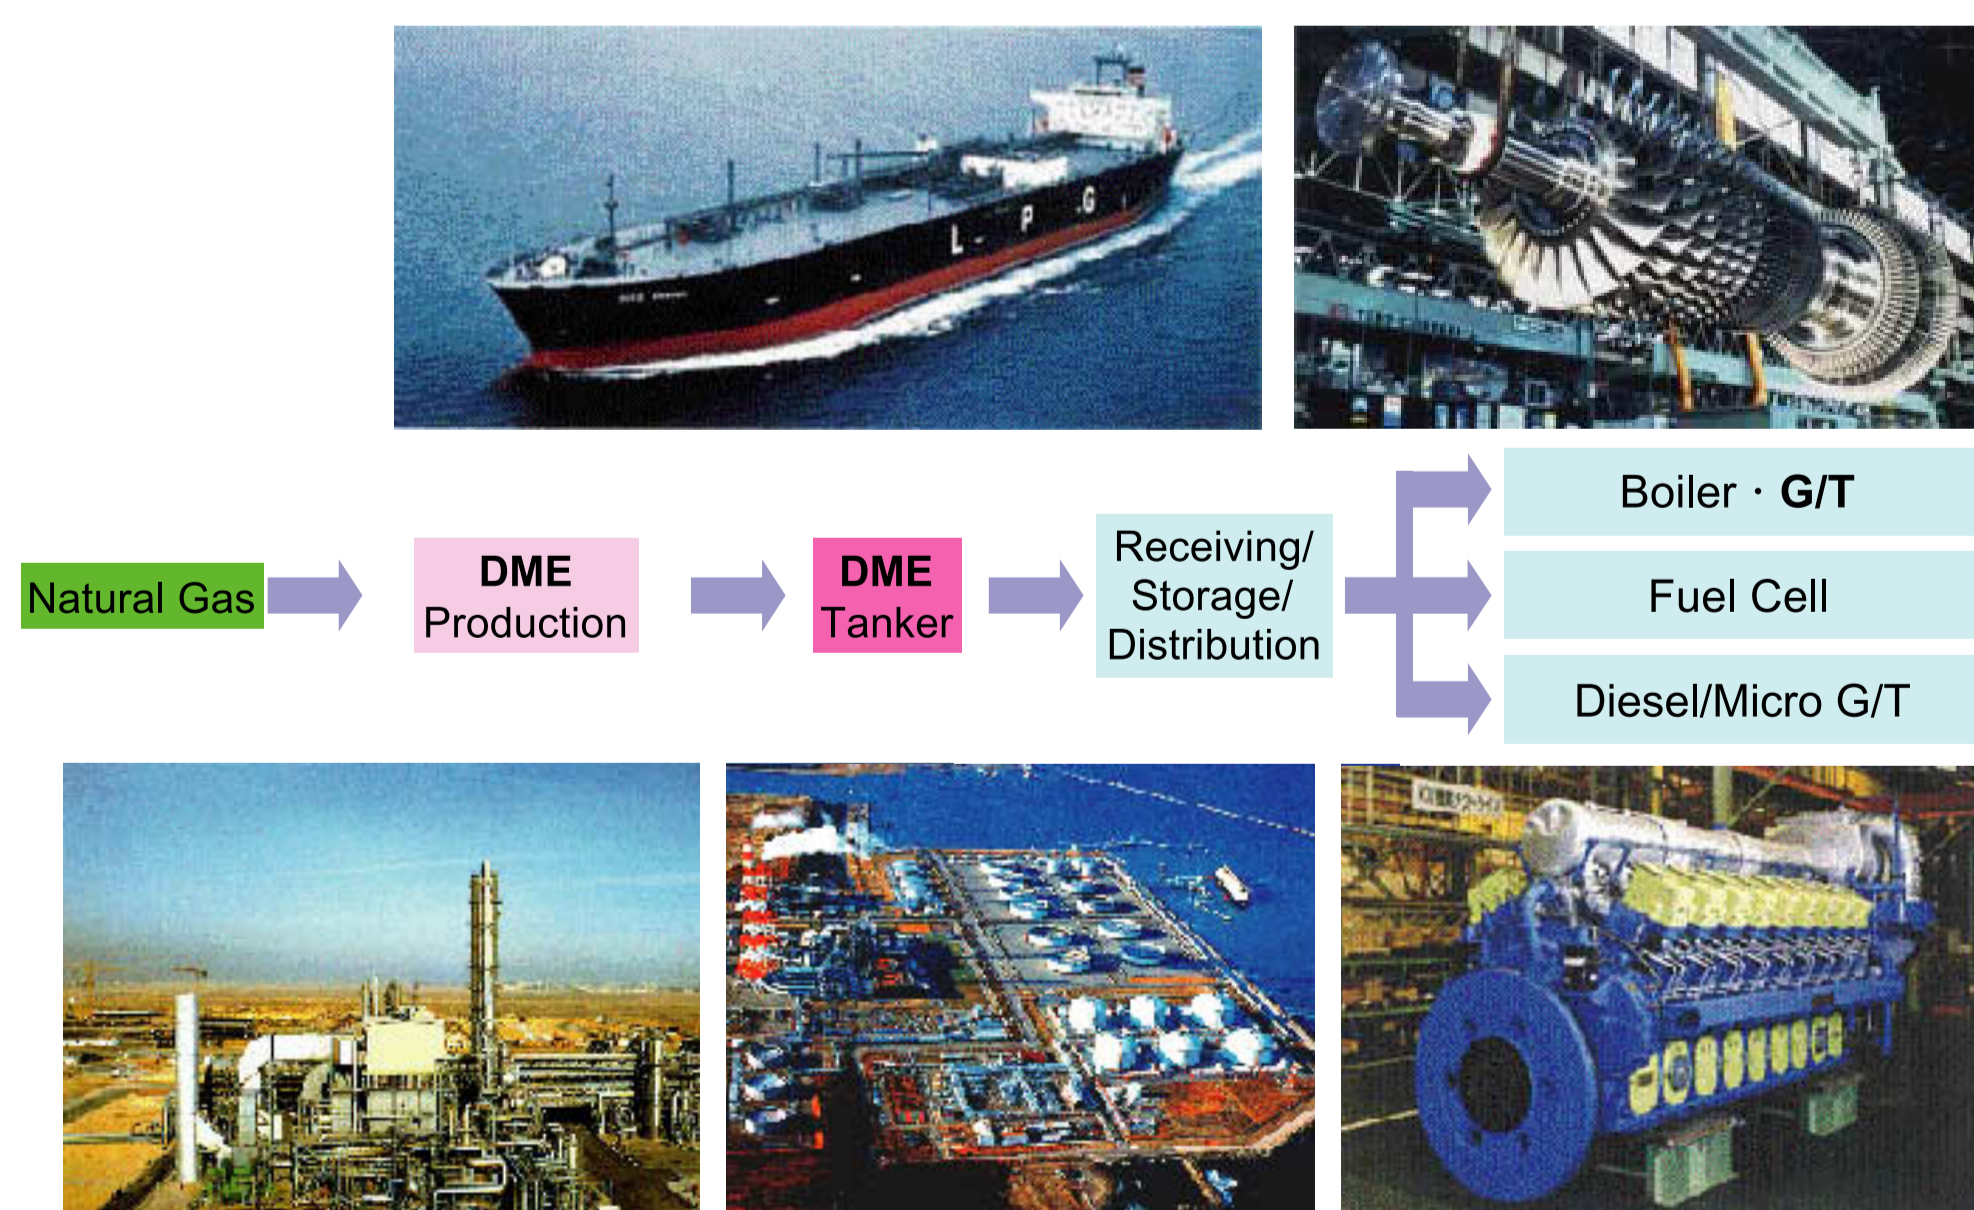

DME Process has an additional step of DME synthesis (Dehydration) compared with MeOH Process

MHI's Manufacturing Key Equipment

Concept of DME Utilization Chain

Outline of Japan DME Ltd.

Name	Japan DME Ltd. established on June 21, 2001	
Purpose	Full Scale Feasibility Study of DME Project in Western Australia	
Capital	Yen100,000,000	
Shareholders	Mitsubishi Heavy Industries, Ltd.	25%
	Mitsubishi Gas Chemical Company, Inc.	25%
	ITOCHU Corporation	25%
	JGC Corporation	25%
President	Mr. H. Nakamura
